- Meeting summary available on website

Online Questionnaire

- Live from November 29 to January 10
- 105 responses

1. Housing Options

Updates to the county's development code that expand housing development options and enhance the feasibility of existing housing options. Strategies include:

- Enhance development feasibility of single-family detached homes to support home ownership opportunities, including smaller lot options.
- Expand development opportunities for duplexes, triplexes, quadplexes and townhouses as smaller-scale housing alternatives in residential neighborhoods.
- Fine-tune existing provisions to support accessory dwelling units (ADUs) and cottage cluster housing development.
